“ Dear Angel,
less than three weeks ago, an inner voice told me to get in touch with you and I did. I sent a message to Maureen and she gave me your phone number. I sent you a message and tried to reach you several times, but unfortunately it didn't work. I would have been so happy to talk to you and now it is too late. I am so sorry, please forgive me.
I think very much of the three fantastic years I spent in NY, thanks to you! that was 40 years ago..... We were the best friends, we spent a lot of time together. I thank you also that I was very well received by your beautifully family, they were for me like my second family, your mother, your father, your brothers and sisters, Tessie, Susi, David & Alan, thank you that I was always welcome at your home.
Barbara and I were very happy to come to your wedding. This was an incredibly beautiful wedding, thank you for been part of it.
When we heard from Maurenn the very sad news that you passed away, I was very sad and shocked, got a photo of you and lit a candle that is still burning for you.
Since you left, Barbara and talk a lot about you. What a cheerful, upright and helpful person you were. You were always there for us.
I lost a good friend, the world has lost a good man and heaven a new angel.
All the best my friend on your new journey.

Rest in peace my friend

Our sincere condolences to all the family.

“ Our hearts & prayers go out to the Pagan family in the loss of their son, brother, uncle, & father. I had not seen him for many years since leaving the NJ, NY area. I did not know he was residing in Florida. I remember many Christmases shared by his family, the Soto family & Osorio family, there was lots of food, music & laughter. He always, always made us laugh. I will never forget his mom Sonky and the love she had for all she encountered & her children. This is a beautiful family all my love & blessings to u all Aurora (Aury) Rivera

“ Dear Angel, I will never forget when I first met you. Tessie and I were High School classmates. You and Tessie showed me how to "do the hustle". I enjoyed seeing you and Tessie dance. You were the best brother and sister team I had ever seen. You were both my first dance instructors and what an amazing job you did leading me

and every time I messed up a step, you would say "Espie, it's never the followers fault, if the follower makes a mistake, it's the leader's fault. So don't worry if you make a mistake, as the leader, I will fix it. You try to recover the best way you can and I will catch up to you" Your words were so comforting. You showed me how to dance with class and grace. This is by far my fondest memory of you.

The last time that you and I spoke was at your Mom's service. I flew in from Tampa as soon as Tessie called and told me the news. I didn't want to miss an opportunity to pay my respects to such an amazing women. I recall getting to the funeral home about an hour early and you were there and gave me your respectful "Espie, Hi, you are here?. How have you been? Thank you so much for coming" Always such a gentlemen. Full of class and grace!

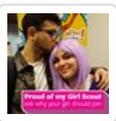

My greatest regret is that life as we know it gets busy and crazy and we didn't stay in touch at least to share a "hello, how's the family doing".

I still can't believe you are no longer with us. I pray that our Heavenly Father has placed you next to your mom and that you are both catching up on the years that were lost.

May you be resting in peace amongst all the angels and dancing that hustle that you always danced so well - Rest in peace my friend. Until we meet again.

Sincerely,
