“ Nana, You will forever be missed. Thank you for being so kind and loving, The memories of the little getaways we had when I came over for summers, are memories I try to live out with my kids today. Thank you for loving our kids as you loved us all. Those head scratches were the best whether sick or just because, I could use a session right about now! Then that smile and that laugh, boy you knew how to laugh, I hear it now as you embrace all your loved ones in heaven, I bet there was a long line waiting to receive you and your hugs. Nana, Thank you for all the great memories you filled my life with. The kids send you all the love they have. Say hello to mommy and daddy for me.  
Nana, you will never ever be forgotten. We love you  
Jill, Vincent, Felicity and Sonny.
