

Eduardo Franceschi

September 10, 1987 - October 12, 2021

Eduardo Franceschi was welcomed home to heaven on October 12, 2021 at age 34.

He was born in Fort Riley, Kansas on September 10th, 1987 to Frank and Zulma. He moved to Florida at the age of 2. He graduated from Celebration High School in 2007.

Eduardo was a hard working young man. He was an Operations Manager for Courtyard Marriott and always went above and beyond to help others and to complete the tasks at hand. His can-do positive attitude rubbed off everyone around him. He was motivated, determined and working hard to have an even brighter future.

Eduardo was always such a happy person and if he wasn't making you laugh he at least had a smile on his face that could light up any room. He was such a caring person. He never had to think twice about lending a hand to someone in need. He has so many friends that he treated like family. He loved fishing, concerts, comedy shows, anything thrilling.

He met his wife, Meaghan, on New Years Eve in 2019. They fell in love the moment they met. He always knew she was the the woman he wanted to spend the rest of his life with. The time they had together was filled with love, happiness and adventures. Always laughing together and creating fun for themselves or their children wherever they went. He was an outstanding father and husband who always talked so highly of his wife and children. His children were the center of his world. He was a fun dad and loved to take the girls to the park or create funny songs with them. His daughters loved to cuddle up on him and make him watch their favorite movies over and over, he loved it. He would go to any length to ensure his family was happy and healthy. Family was everything to him. He always wanted to be like his father. A strong man and a family man.

He is survived by his 4 children, Sophia, Emmalynn, Kinnsley, Ryleigh his loving parents Frank, Natalie, Zulma, Steven, his brothers Frankie, Luis, Jorge, Stevie-Ray, David and his sister Tish.

Our joys will be greater, our love will be deeper, our life will be fuller because we shared your moment.

“ Ed was my co worker at bahama breeze. He always had a way to make me laugh on a bad day, or cheer me up when I was in the worst of moods. His smile and laugh was contagious and I am going to miss him more than words can say! He reached out to me Sunday morning and I will forever regret not answering that text in time. He will always have a special place in my heart and will NEVER be forgotten! I miss you so much already, rest in peace to a BEAUTIFUL soul. -Kaila

“ What can I say, from the moment we lay eyes on each other there was a connection. I became his adopted mother and he became my son. He was part of my family. It is very hard for me to except that he is gone. I will always keep him in my heart even if it's broken. I will aways love him with all of my heart and soul. My sincere condolences to his family and his daughters. Farewell my love til we see each other again. REST IN PEACE
