

John Porter

July 19, 2019

John Porter passed away on July 19th. John was a long time Floridian and was known for his love of the outdoors. He was a practicing veterinarian for over 35 years. John was a graduate of the University of Florida and a proud dad to four Gator grads. John loved his wife and the blessing of marriage they shared for 34 years. John treasured time with his family and especially enjoyed being with them in the mountains of Montreat. He was a man of faith who lived his beliefs through unspoken acts of kindness. He was a practical man with a servant-heart. John put his hope in Christ and Christ alone. He is remembered and missed by his loving family.

Comments

“ I had the great pleasure of working for Dr Porter for several years in the 90's. I was just a young kid who thought it would be cool to work with animals. To this day, I compare that job to every job I have ever had! Dr Porter was so knowledgeable and generous sharing his knowledge! I learned so much working with him. He always wanted to teach us something, never had an ego, and was always so calm even when things got crazy busy! He taught me how I wanted to treat other people and animals. I am still in the animal field today and would not be as successful as I am if I had never met Dr John Porter! He will never know how grateful I am to have known him and for the opportunities he gave me. Thank you Dr John! My deepest condolences go out to his family. He will be missed. but I know he left this world a better place just by being himself.

“ Dr. John Porter was a gracious and lovely man! He cared for our pets as if they were his own. I will always remember his huge smile, when he greeted us at a visit, and his kindness to us, when one of our precious pets left this earth. Norm and I will keep John's family in our prayers at this difficult time. God Bless, Linda Pellegrini

“ Uncle John was probably the kindest man I ever knew. He was selfless and gracious. He saved so many of our family pets a long with countless others as a veterinarian. He truly cared about people. I will be forever grateful to have known him.
John 4:4 "You, dear children, are from God and overcome them, because the one who is in you is greater than the one who is in the world."
