“ Jorge and I send our deepest sympathies to you, Tim and your family during this difficult time. Our prayers are with you, and may her memory be a blessing to you all. I so enjoyed looking through all of the family photos just now. It shows what a true blessing she was to you all, and the twinkle in her eye when she was surrounded by her family said it all. God bless her, and may she rest in peace.

“ Every Monday or Tuesday after mom and I would go to her appointments or errands we would go get Alyson and Chloe (her great grandchildren) and we would go to perkins for fresh baked muffins. We enjoyed it so much. Then mom would order more muffins to take home. She loved enjoying her family. We miss her so much. We will go back for muffins and remember her and the good times we had.
