“ I’m just learning of Bobby’s passing. I knew Bobby when we were in our teens. He, Kenny and his parents lived down the street from us. Bobby was always sweet, positive and kind. He always had a smile. I’m sorry we lost touch later in life but I’m glad I got to know him when we were younger. We saw each other at his dad’s funeral and about 3 years ago at La Cantina. He was the same sweet guy and he seemed very happy. I’m sorry this world has lost him—we need more Bobby’s. Heaven has definitely gained an Angel. To his family I’m so sorry for your loss. “We all have different gifts, so we all have different ways of saying to the world who we are” ~ Fred Rogers  
Bobby’s gifts were numerous....he was a kind, generous, helpful, and always an incredibly positive neighbor and friend to so many in his community. Bobby never had a negative thing to say about anyone or anything and everyone who knew him adored him! He will be terribly missed in his community! May God bless you and your family Bobby! As the song goes...,”Heaven must have been missing an angel” .....and heaven definitely received a extraordinary angel in Bobby!  
Rest In Peace dear neighbor and friend....

“ I'm writing this to let everyone know that as I know him as Bobby . he will be missed by many people. I spent many days with Bobby in our younger years and with Kenny his best friend and his brother. They layed carpet for over 40 years and I worked with them on the side. He has, I believe two sisters, one named Janet and I'm sorry I don't know the other - they were the best people I know. I'm sorry I didn't get to see Bobby lately. Bobby, I loved you like my own - God has you now and he has one great man. You will be missed - prayers go out to all the family and friends. My prayers go out to Bobby's wife and all his children. GOD PLEASE BE WITH ALL FAMILY AT THIS SAD TIME Gary Douglas long time friend

My memories of Bobby began sometime after I moved in upstairs.. I was talking to Patsy from above, and in walks this handsome, friendly gentleman. I could just tell that he eventually would be a wonderful neighbor. And that he continued to be for many years. I loved hearing Patsy and Bobby interact, joking and enjoying each other's wit. He always had a smile on his face, and would be there for any of us. You will be missed, my friend. Harriet Twiggs
