“ Fished around, with and against Carrot for years. If he won he gloated, and if he lost he whined! I think I might have called him "Whinny A--e a couple of time. It made him laugh! Since I was the only female fishing against ALL of the guys, I had to be 1000 times better than all of them. Even then, Carrot and the rest of them LAUGHED at me. But, he always made sure that I knew that he really liked me. (Maybe because my brothers brought him libations)? But I know, now you're side by side with Big T and laughing at all of the rest of us poor fishermen, cause you both know, and can see where all of those stupid bass are and we can't. I'll Will miss you my friend!

“ Knew this man and his family over 35 years. Although he was always mad at me for kicking his butt in fishing tournament, You would be hard-pressed to find a better, Truer man. His presence will always be around the lakes and I will think of him and smile but I got the pleasure to know him. I know he's in heaven right now with my dad waiting for me to get a bite so they can smile. God bless Bob and his family, And my little brother Jason. Anything I can do to help I'm here. “ My condolences to the family.. You are in my thoughts and prayers. I am so sad to hear of his passing. I have many fond memories of Bobby. One small memory.. Him and my brother and others would go hunting anyways my mama would make pies and others things for the guys to eat while in the woods so mama loved it because Bobby always put his order in on what pie he wanted. When he got to the house he would grab his pie and my brothers pie and run out the door to hide the pies. They played MANY jokes on each other a lot. Bobby was just part of the family and he was like a brother. I certainly thought he'd have his red Bronco forever.. Maybe he did. When my brother passed away he came to mama's and sat with us for a couple of hours and we talk about so many memories. Been a few years since I seen him. He certainly will be missed by many.. RIP.

“ We are so very sorry for your family's loss. We have known Bobby for a long time. Mike was recently recalling a memory of Bobby riding a BIG Yamaha dirt bike when he was young. "He rode that big bike everywhere." In later years we all raced together. There was an entire group of guys that raced and were in the site work business. We had a lot of fun and Bobby was always quick with a smile. He was affectionately known as "Carrot". Gone too soon our friend. Mike and Lisa Davis
