“ Sorry for your loss, I know it's been a long time since we have seen each other but I wanted to tell you sorry about the past. Just wanted to let you know I was thinking about you during this hard time. Sue Singleton Burney

“ I didn't get to see Uncle Robert very much growing up in Tennessee, but I always remember as a little girl thinking he was handsome and looked like an Indian to me (I guess because of me being so fair skinned and freckles), and he had big ears just like Granddaddy. Of course that gave Uncle Robert bonus points in my book because I loved Granddaddy!

I remember Uncle Robert always had a smile and a relaxed way about him and would tease us kids. When we moved to Florida I still didn't get to see him often but when I did he still had his teasing ways and warm relaxed smile.

It had been quite some time since I was able to see Uncle Robert, and even though he was in pain, he hadn't let the hardships of life rob him of his warm smile and teasing ways. Matt and I had been praying for him for a number of years and my heart was sad when I found out he had passed away. For Uncle Robert he went to bed with the love of his life and woke up in the presence of the One who gave His life for him.

Marie and family we are covering you all in prayers and asking God to hold you close to His heart. We pray that the Lord will bring you strength, grace, peace, and comfort as only He can. Much love, hugs, and many prayers.

“ Sarah and I send our condolences to Marie and the family. You are in our prayers.

It was my good fortune to have met Bob 40 years ago. Our friendship has grown through the years. I have fond memories of the times and activities that we did together.

Bob was an avid sports fan. He kept up with the standings of his favorite teams across multiple sports.

Bob is recognized as a quality builder. His workmanship was admired thru out the industry.

I appreciated his character and fairness. You could always count on his being a Man of his word.

Most importantly Bob was steadfast in his faith. He had an active prayer life and a genuine desire to help those in need.

“ Bob and Marie were one of the first people that Laura and I meet when we first came to Kissimmee First Baptist Church as snow birds. I consider them as one of dear friends. Bob will be missed by Me and a lot of others. I know that I miss the trips to The Catfish Place. We got to know them in Jim Parish sunday school class. I am thinking about and praying for the family.

“ I have such good memories of my Uncle Robert that go over my entire lifetime. He was one of a kind, always smiling and joking! I will forever be sad anytime I make Buckeye's, knowing I can't ever take him any. Laugh when I remember Robert holding my daughter. at age 1, up by the ceiling fan, a bit too close! And him telling me, at age 16, to drive faster up the mountain! Great times, greater memories forever I will keep. Heartbroken, but glad Robert is in a better place. God Bless everyone!
